

John K. Eareckson & Co did an outstanding job transforming the 65 year old hardwood floor into the floor that looks brand new.

We are very happy with the whole experience with John K. Eareckson flooring.

Waruse was great at communicating with us, always available for answer any question and able to acomodate our schedule and loved our Jackie Russell!!!

My wife is currently pregnant and they had helped us to choose movers for a good price.

They really did an amazing job on bringing our old hardwood floor to life!!!

As a result, we highly recommend him and his time to anyone thinking about to refinish their hardwood floor.

Thank you,

Sincerely

The Eylers
