Dear Sir,

I am writing you this letter to thank you for the work that your company did at my farmhouse, which was built in the late 1800's. We had 3 other flooring companies come to our house and said they either could not do the job or it would take 2-3 weeks to complete.

After hearing about your company from a historic web site in PA we decided to give your company a call, and have you come to our house to see what you could do. My wife and I are so glad that we decided to go with John K. Eareckson, we are so pleased with the job you and your crews have done. The job was done in a timely matter and everything you said you could do you have done.

I will be referring you to all my family and friends, Once again thank you for a job well done.

Sincerely,
Joe & Donna Brammer
